# Rathbone SICAV Global Opportunities Fund

This is a marketing communication. Please refer to the Prospectus of the UCITS and the KID before making any final investment decisions. The decision to invest in the fund should take into account all the characteristics or objectives of the fund as described in its prospectus.

## Investment objective

The sub-fund's objective is to seek above-average growth of your investment over the long term, at least a five-year investment period. Under normal circumstances, the sub-fund invests mainly in shares of companies from around the world. Generally investing in companies that appear poised for above average expansion yet have not been recognised by the market.

The sub-fund may also invest in other securities permitted by UCITS regulations. The sub-fund may use investment techniques and derivatives for efficient portfolio management (including hedging). The sub-fund is classified as an Article 6 financial product under SFDR.

## Investment strategy

This is a stock-picking fund, which means we invest in a small number of global stocks. We search developed countries for innovative and scalable businesses that are growing fast and shaking up their industries.

To be successful, we believe businesses have to offer something that others can't match - a star quality. They must be easy to understand, different to their competitors, durable to change and difficult to imitate. Companies must have a plan to grow rapidly without running out of money or overstretching their resources. Our speciality is spotting these businesses before they are household names.

We buy companies of all sizes, but our sweet spot is mid-sized growth companies in developed markets. We avoid investing in companies listed in emerging markets.

We avoid investing in businesses which have previously performed poorly, preferring those with an unblemished past. We don't invest in unpredictable sectors with poor growth prospects. To reduce risk, we hold a defensive bucket of companies with slow and steady growth that should be less sensitive to the

## Management

**James Thomson**  
Lead Fund Manager

James has been at Rathbones for more than 20 years and has been the lead manager on the Global Opportunities fund since 2003. He is an executive director of Rathbones' fund management business. He was educated in the United States, originally hails from Bermuda and still rides a scooter to work.

**Sammy Dow**  
Fund Manager

Sammy co-manages the fund along with James. He joined Rathbones in July 2014 from JP Morgan Cazenove, where he worked for 14 years in Pan-European Equity Sales providing both primary and secondary advice to Hedge Funds, Institutional and Private clients.

## You should know

### Important information

Copies of the Prospectus, the Key Information Document (KID), the Supplementary Information Document (SID), and application forms may be obtained, free of charge, from Rathbones Asset Management Limited.

Emerging markets are volatile and may suffer from liquidity problems. Changes in rates of exchange between currencies may cause the value of investments to decrease or increase.

Details of tax levels and reliefs may change in the future. The value of any tax relief depends on individual circumstances. If you have doubts about your tax position, or the suitability of this investment, you should seek professional advice.

To meet the objective the fund may also invest at the Manager's discretion in money market instruments, warrants, cash and near cash, deposits and units in collective investment schemes. Use may be made of borrowing, cash holdings, hedging and other investment techniques.

The annual management charge and other income expenses are paid out of the fund's income.

### Information notes

If you require clarity on any of the terms used in this factsheet then please refer to our Supplementary Information Document for further explanation.

<sup>†</sup>Mid market value

<sup>^</sup>The OCF includes the charges for the underlying funds held in the product. From April 2018, the ongoing charges figure has been calculated according to PRIIPs regulations, which came into effect on 1 January 2018. Holdings are based on six monthly audited accounts. Changes to fund holdings within this period may result in higher or lower ongoing charges. The OCF is included in the Annual or Interim report and are calculated biannually. The OCF is estimated to reflect the expected ongoing expenses.
